

De La Salle

Meteors

De La Salle men De La Salle men,
We'll crash right through that line,
Up and at 'em; we will get 'em,
We'll conquer every time. RAH! RAH!
Win the battle; show your mettle;
We're loyal to you old pal!
For the man whose name you bear,
Through him we have no fear;
So fight for De La Salle.
