

Marmion Academy

Cadets

Come let's fight for dear old MARMION
and we'll cheer her colors bright on high.
Oh yes, we'll fight, we'll fight for MARMION
and make her name resound up to the sky.
And then we'll give a cheer for MARMION
while with yells we proudly pierce the air.
Then when fairness claims for us a victory
we the sons of MARMION will be there!
