

# St. Philip

Gaels

Purple and gold, purple and gold,  
To a man we're back of you,  
Not for a day, but when we're away,  
Forgetting St. Philip School.

RAH, RAH, RAH

Loving her name, ever the same,  
With a love that will never grow old,  
Loving the purple, loving the gold,  
Purple, purple and gold!
