

Weber

Red Horde

**Come on, Oh Weber High
And let your colors fly.
Let's fight, fight, fight
Stand up and cheer.
Then victory will be near.**

RAH, RAH, RAH.

**Let's see, You Weberite
Your colors Red and White.
Let's run down the field and never yield,
Or know the reason why.**

**So, Come on, Oh, Weber High.
Let's fight for Weber High.
Let's fight and do or die!**
