Baseball began in the Catholic League in 1913, terminated in 1930 and resumed in 1958.

Prior to the 1977 season, the league champion was determined by a playoff system. From 1977 to 1983 the champion was determined by the best won-lost record in a round robin league set-up. Beginning in 1984, the league was divided into North and South Divisions with champions in each.

In 1997, the league was divided into North, Central and South Divisions with champions in each.

In 2000, the league returned to a North & South Division format

In 2006, a Blue/White division format was introduced based on parity.

In 2010, a Blue/White/Red division format was introduced.

In 2018, a Blue & Green division format was introduced due to a few schools leaving and reducing the number of schools in the league.

The 2019-20 season did not take place due to the COVID-19 pandemic

For the 2020-21 season the divisional names were Blue & White (White replaced Green)
